Flood Assistance Alert #97-13 entitled Transitional Assistance Services Guidance has generated the same eligibility question from several project operators. The purpose of this alert is to provide clarification. The question is as follows:

Are the Flood Project participants determined eligible based on dislocation due to the flood and unlikely to return within 14 days to the former employment eligible for transition assistance?

The answer is yes, such eligible participants are eligible for transition assistance under any Title III program. Eligibility is based on the determination at the time of initial enrollment.

Please refer any questions regarding this matter to Luis Hermosillo at (916) 654-5416 or Laine Hendra-Aldrich at (916) 654-5595.
